CONSOLATION SINGLES

Please note all non-qualifiers from the first round of the Men's and Ladies Singles will be automatically entered into the Consolation Singles event which will then be randomly drawn.

ALLOCATED DOUBLES COMPETITION

We plan to run this competition again this year which we hope will encourage more players outside of the Premier Division to come to the tournament. All players (with the exception of top 8 Men's seeds) will be entered in an allocated doubles competition, where the highest rated player will be paired with a lower rated player, second highest rated player paired with second lowest rated and so on, with a random draw so any pair could win the event! We hope this will be a fun competition and the more players who play in the tournament from the lower divisions the better the competition becomes.

REFRESHMENTS

There are no refreshment facilities at the venue apart from vending machines so please bring your own food and drink. Tesco Express is only 150 metres from the college.

PARKING

The change of venue this year means that we have the benefit of using Canterbury College onsite parking at a charge of £1 per day. Please ensure that you have cash available to pay at the gate on the day.
